

## A musical learning experience for ages 7-12

Four weekly classes, meeting 50 minutes to unearth the very basic elements of playing the guitar, including:

- Strings of the guitar and how to tune them
- The parts of the guitar and how to respect and care for it
- Tools that go along with guitar playing (capos, straps, slides, etc.)
- Fun songs to enjoy and how to get more music out of the instrument
- Other music style possibilities
